

WITHHOLDING OF CLASS CREDIT

When a student has a **TRUANCY**, **SLUFF** or **FOUR (4)** or more tardies per class, per quarter credit for that class credit will be withheld until the student restores credit by going to Saturday Credit Restoration.

ABSENSES not excused within five (5) school days will be considered a **TRUANCY**. Being in the halls without a hall pass, designation pass, tardy excuse slip or leaving class without permission will be considered an automatic **SLUFF**.

Credit Restoration Class will be held **Saturday** mornings from **8 am - 12noon** in the LHS cafeteria. The cost of each session will be \$5 per session. This fee goes to paying for two proctors who will be running that session. If students do not make up assigned time credit will be lost which might affect the student's graduation.
